

# Edward Hunter Heritage Bush Reserve

## Checklist

- > This bird list provides a checklist for visitors to the Reserve.
- > The list was developed by members of the Latrobe Valley Field Naturalists Club using personal and club records collected from the 1970s to 2012. Other birds may be seen that are not on this listing.
- > Please report your interesting, rare and exceptional sightings via the 'Report bird sightings' form on the Reserve website (<http://ehbreserve.wordpress.com/fauna-2/>) or via the details listed at the LV Field Naturalists website (<http://home.vicnet.net.au/~lvfnc/index.html>). You could also post your observations to *PO Box 1205, Morwell 3840*.
